

# SUPPORT the Heldeberg Workshop!

*The Heldeberg Workshop has entered into a partnership with the Mohawk Hudson Land Conservancy (MHLC) to permanently protect the Workshop lands from development.*

*To complete the project and fully protect our lands, we need to raise \$100,000 by September 30.*

*Realizing a great vision requires great support. And we need your assistance today—we cannot accomplish this critical conservation effort without you.*

Our goal in permanently protecting the Workshop's lands is two-fold:

1. Our Adventure in Learning is not possible without the lands upon which we operate. The Board of the Workshop is committed to permanently protecting the Workshop lands from development for future generations.
2. Our 250 acres provide a key piece of the Helderberg Conservation Corridor. The Heldeberg Workshop lands are the largest unprotected property below Thacher Park and provide a key connection in creating a conservation corridor of nearly 3,500 acres.

**What will your donation support?** Your support will enable the Heldeberg Workshop to be protected forever through a conservation easement with the Mohawk Hudson Land Conservancy, and ensure the preservation of our lands for our summer programming for future generations.

***Help preserve the lands that you love—please give today!***
